¹Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ²Moving Object Detection is not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. ³Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle object around you. ⁴The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object.

Analog and digital displays help monitor critical engine performance while hauling and towing

Shifter lever moved to the column (includes manual shift control), creating storage space in the large center console

Wide instrument panel for a high-tech touch

Black-and-tan quilted leather appointments inspired by a hunting jacket

Zero Gravity front and rear seats provide comfort over the long haul

Interior design mirrors the exterior's bold, powerful stance
