

SEDANS ARE A TOP CHOICE AMONG MILLENNIALS

Sedans remain a popular choice for younger generations. While some automakers have given up on this important segment, Nissan continues to be one of the world's leading builders of sedans.

PEOPLE CONSIDERING BUYING A SEDAN NOW OR IN THE FUTURE:

Who are today's sedan drivers?

They're younger than you'd expect.
They're passionate. They're engaged.
They're the future.

SEDAN OWNERS ADORE THEIR RIDES

31%
Name their car

THE LIFE OF A SEDAN DRIVER ISN'T ALL COMMUTING, ERRANDS AND TAKING KIDS TO SPORTS PRACTICE

Sedan owners are passionate about:

SEDAN OWNERS ARE SINGERS

1 out of 3 people around the world sing in their cars.

DRIVEN BY CREATIVITY

7 in 10 sedan owners have added a personal touch to their ride.

EXTERIOR

INTERIOR

Nissan is introducing a series of all-new models globally with world-leading:

DESIGN

Nissan's Emotional Geometry design language includes elements such as the V-motion grille, boomerang-shaped headlamps and tail lamps, kick-up C-pillars and floating roof.

TECHNOLOGY

ProPILOT eases driver workload by reducing the amount of driver acceleration, steering and braking input under certain driving conditions.

POWERTRAINS

VC-Turbo continuously transforms the engine characteristics, providing both dynamic and efficient performance.
