Journalist	Stephen Elmer
Background 	<p>Stephen Elmer covers all day-to-day events of the industry as the news editor and truck expert at AutoGuide.</p> <p>His interest in cars was sparked by watching his dad cover the automotive industry growing up – attending his first press launch at age eight.</p> <p>Stephen is an avid snowmobiler, ATV rider, RV enthusiast and D/Z-licensed truck driver. When not at his AutoGuide desk, Stephen can be found grooving with his bass guitar or beating on his drums.</p> <p>He connects his love for food with his Hungarian heritage and his grandmother from whom he learned his techniques from. However, the love for BBQ came from his father, during family vacations they would seek out the smallest, seediest BBQ joint in town. Some of Stephen’s favorite dishes to make are Rakott Kpaosztá, Bab Leves and Grizes Teszta.</p> <p>Stephen currently lives in Toronto, Canada.</p>
