

2015 NISSAN MURANO®

Concept car styling brought to the showroom. Sleek, dimensional shape with no compromise of passenger comfort, roominess or utility.

Wide, long Power Panoramic Moonroof for front and rear seat occupants.

Unique jet-inspired “floating” roof design – created by refined A-pillars, kicked-up triangular-shaped D-pillars and large glass area.

Standard 18-inch aluminum-alloy wheels with 235/65R18 tires. Available 20-inch machine-finished aluminum-alloy wheels with 235/55R20 tires. Standard low rolling resistance tires.

Rugged lower rocker panels, rear tire air deflectors for improved aerodynamics.

Large rear doors for easy entry and exit.

2015 NISSAN MURANO®

0.31 coefficient of drag – same as many high-end sports cars. More than 16% improvement over the previous Murano.

Aerodynamically shaped sideview mirrors with integrated LED turn signals.

Highly emotional exterior design with premium crossover styling that embodies Nissan's new design direction.

Nissan signature lighting with LED Daytime Running Lights.

Available tuned LED headlights.

"V-Motion" front end with bold grille, flowing boomerang headlights, wide hood and aggressive stance.

Lower grille shutter opens and closes to enhance aerodynamic efficiency.

2015 NISSAN MURANO®

Boomerang-shaped LED taillights seamlessly integrated into the rear hatchback.

Wide-opening rear liftgate with available power feature.

Integrated roof-mounted rear spoiler, rear privacy glass.

Available advanced Around View® Monitor¹ helps you see things you may not have seen before. It uses four cameras to provide a virtual 360-degree view around the Murano, provides a top view for backing into parking spaces and side views for parking next to curbs.

Available power folding rear seats.

Special rear bumper surfacing designed to direct airflow away from the vehicle. Dual chrome exhaust finishers.

¹ Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle.
